

**PERMIT TO ALLOW SUPPLY AND MINOR USE OF AN UNREGISTERED
VETERINARY CHEMICAL PRODUCT**

PERMIT NUMBER –PER13488

This permit is issued to the Permit Holder in response to an application granted by the APVMA under section 112 of the Agvet Codes of the jurisdictions set out below. This permit allows a Supplier (as indicated) to possess the product for the purposes of supply and to supply the product to a person who can use the product under permit. This permit also allows a person, as stipulated below, to use the product in the manner specified in this permit in the designated jurisdictions. This permit also allows the Permit Holder, the Supplier (if not one and the same) and any person stipulated below to claim that the product can be used in the manner specified in this permit. If this permit were not issued, supply of the product as specified below would constitute an offence under section 79 of the Agvet Code.
