Clothing must be laundered after each days use.
- DO NOT enter treated areas to conduct high exposure activities such as harvesting, pruning, training and tying for 2 days, unless wearing cotton overalls buttoned to the neck and wrist (or equivalent clothing) and chemical resistant gloves. Clothing must be laundered after each days use.

Safety Directions:

Will irritate the skin. May irritate the eyes. Avoid contact with eyes and skin. If product on skin, immediately wash area with soap and water. When opening the container and preparing spray wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and elbow-length PVC gloves. When using the prepared spray (by low pressure handwand), wear cotton overalls buttoned to the neck and wrist (or equivalent clothing), elbow-length PVC gloves and half face piece respirator. Wash hands after use. After each day's use, wash gloves and contaminated clothing.

Jurisdiction:

All States and Territories, except VIC.

Note: Victoria is not included in this permit, as their Control-of-Use legislation means a permit is not required to legalise this off-label use in that State.

Additional Conditions:

This permit allows for the use of a product in a manner specified on the permit. Persons who wish to prepare for use and/or use products for the purposes specified in this permit must read, or have read to them, the details and conditions of this permit. Unless otherwise stated, the use of the product must be in accordance with the product label.

To Avoid Crop Damage

The sensitivity of the plants to be treated under this permit has not been fully evaluated. It is advisable to only treat a small area to ascertain the reaction before treating the whole crop.
